Name and Political Party changes must be submitted in writing and **signed by the voter** by submitting a completed Florida Voter Registration Application Form to the elections' office or Division of Driver's Licenses. Address changes may be submitted in writing or notification may be made by phone.

When the registration books are closed for an election, address changes can be made, voter registration and party changes will be accepted, but only for the purpose of subsequent elections (section 97.055, Florida Statutes).

Three Easy Steps To Voting

1. Use your finger to press the candidate's name of your choice. 2. To continue, press the "next page" at the lower right corner of the screen, then after completing the last page press "review ballot" in the lower right corner of the screen. 3. When you are finished making all your choices, press the "Red Vote" button that is lit and located at the top of your screen to cast your ballot.

Help America Vote Act (HAVA) Of 2002
